## FLAT ROOF LIGHTS & LANTERN ROOFS

Bring daylight, style and efficiency into any space with our aluminium Flat Roof Lights and Lantern Roofs. Perfect for new builds and extensions alike, both options offer sleek contemporary design, exceptional durability and low-maintenance performance - delivering a bright, airy ambience with outstanding thermal efficiency.

## CONSERVATORY REPLACEMENT ROOFS

Conservatory replacement roofs convert your existing space, enhancing thermal efficiency and aesthetic appeal. Modern materials and advanced designs ensure your conservatory is comfortable all year-round. Explore our range of stylish options and enjoy an energy efficient space perfect for relaxing and entertaining.

## LEAN TO GLASS ROOFS

Lean To Glass Roofs provide a sleek, modern solution for extending your home, offering abundant natural light and a stylish aesthetic, perfect for creating bright, airy spaces. These roofs are designed for durability and energy efficiency with solar control glass.

## ORANGERIES

We offer a stunning selection of new and replacement orangeries, conservatories and skyrooms with a wide variety of styles and designs to meet your needs. Our made-to-measure orangeries are crafted to your exact requirements, providing a bespoke and elegant solution that enhances the beauty and functionality of your home.

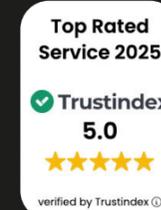

## GARDEN ROOMS AND STUDIOS

We supply and install bespoke garden rooms, ranging in sizes and styles to match your desired housing characteristics. Whether it be for a new garden office, garden gym, a yoga studio or a golf simulator we will help and advise on the designs we have to offer. We can guide you through the build process and ensure your new insulated garden room suits your needs perfectly.

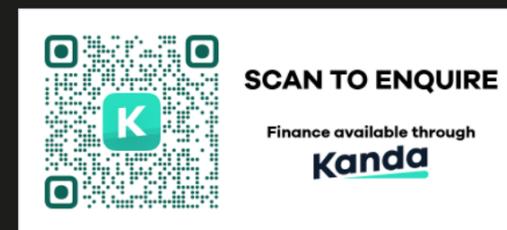

## EXTERIOR CLADDING

Re-design your home's exterior with our premium cladding options. For an environmentally friendly choice, timber cladding is unmatched, gaining popularity in both commercial and residential projects. Discover Hardie Plank, Larch or Cedar cladding, engineered for durability and style, it is low maintenance, thermally efficient, water resistant and distinctively enhances the aesthetic appeal of your property.

“Great service and installation once again - smooth process and excellent quality products. 5 stars once again for Tom & the TP team.”

## FINANCE OPTIONS AVAILABLE

Finance provided by Kanda, credit subject to status.

### SLIDING DOORS

Expand your horizon with our popular Aluminium sliding doors. Our ranges include the ultra-slim Origin OS-29+, QFort Panorama and the Paysage 5Stars sliding door, these stylish options offer minimal sightlines and stunning outside views. Perfect for bringing the outside in, enjoy panoramic views and open plan spaces all year round.

### BI-FOLD DOORS

Bi-fold doors, also known as folding doors, create a statement wherever they're installed. Popular in both residential and commercial properties, they save space and enhance aesthetics. Our custom bi-fold doors come in various materials and colours, featuring smooth operation, thermal efficiency, and an option for internal blinds.

### FRONT DOORS

Create the perfect entrance with our range of stylish and secure front doors. Available in Aluminium, Composite, or bespoke Timber, our doors come in various colours and designs. With double or triple glazing and exceptional insulation, our front doors ensure thermal efficiency and a high level of security for your home.

### DISCOVER OUR RANGE OF WINDOWS

We offer new and replacement window styles and designs to suit your requirements, our made to measure windows are beautifully bespoke to meet your needs making them the perfect choice for the character of your home.

**Choose from a range of styles in the following materials;** uPVC, Timber, Alternative to Timber (Residence Collection), Aluminium and Steel, all can be offered in a variety of finishes and a vast range of colours. Also available in double or triple glazing, privacy or decorative glass with an option to add internal blinds.

### INTERNAL DOORS AND PARTITIONS

Transform your space with internal aluminium or steel glass doors and partitions with minimalistic framing. Perfect for dividing rooms without sacrificing natural light, these stylish doors come in bi-fold, hinged, pivot, and sliding options, providing both aesthetic appeal and functional versatility for any modern interior.

### COMMERCIAL WINDOWS & DOORS

Commercial windows and doors, crafted in high-quality materials, combine style, durability, security and thermal efficiency. Upgrade shops, offices, schools and hospitality venues with security, customisable solutions that maximise natural light, elevating every space with functionality and low-maintenance design.
